Sept 9th Engagement Party

We hired Tomato Flyer Pizza Co to cater our engagement party Friday night. The entire team was great to work with. The food and service exceeded our high expectations and we are thinking about hiring them for our rehearsal dinner in March. The antique truck and tasteful service approach was very cool. We also hired their sister company Gemma Gelato for our party. Equally impressive and fun vendor.

Our November 2nd 2019 wedding

We had Tomato Flyer cater our wedding on November 2nd & we are so glad we did!! The staff worked so hard all night to provide us with the YUMMIEST PIZZA (+ gluten free options!), wonderful salad, & absolutely delicious gelato!!!! We had soo many guests comment about how delicious the food was!! Tiger came to our event and was so nice & a pleasure to work with! My husband even requested a specialty pizza that wasn't on their menu & they went out & got the ingredients to make it!! Highly Recommend this place!! Every aspect of our experience was great!!

Fantastic, flexible vendor!

The Tomato Flyer made for an absolutely amazing caterer for our wedding. People raved about the food, which is probably the most important thing, but a few notes on that:

- The truck is super cool and very classy and sort of transcends the whole "food truck wedding" look (e.g. they set up cool, lightweight wooden serving tables to create a fairly sizeable spread for all of the foods, though they definitely could have made do with less space if we'd wanted that)
- The owner, Tiger, was really awesome about letting us customize all sorts of things: we wanted people to have champagne in hand during the ceremony, and he happily obliged
- Paper/plastic cutlery was included, but Tiger was cool with letting us provide palm leaf plates and cloth napkins to class it up a bit
- We had some specific ideas in mind for wine pairings, and Tiger managed to find them all!
- It wasn't really just pizza: the charcuterie sampler(s) and genuinely very good salads really made it feel like a cool and classy meal (and again, the pizza is *really* good)
- Tiger was responsive, communicative, and happily met with us a few times in advance.

We'd gladly recommend to anyone!

Tasting Party

We attended a tasting party last weekend and absolutely loved the great food and fabulous presentation. We loved it so much signed a contract today to have them cater our rehearsal dinner next year. The trucks was more beautiful in person than in the pictures. The Italian wines and craft beers complimented the food perfectly. We are excited to have them cater our event.

Engagement Party Catering

Tomato Flyer Pizza Co catered our engagement party last evening. Our December wedding is going to be Country Club style so we decided to do something a little more casual and fun for this event. The food, bar and service were all excellent. Some guests said it was the best pizza they ever had. The antique truck was a big hit. There is a subtle sophistication to this operation. Thank you Tomato Flyer for helping to make this event memorable and special. Five Stars!

Tiger was communicative, flexible, responsive and professional! The pizza was delicious! They accommodated our dietary restrictions with gluten free and vegetarian pizza. Everyone was raving about the homemade gelato! We couldn't be happier. They worked perfectly for our rustic barn wedding. Would highly recommend.
